

# DIGITAL SIGNAGE

BY MARKET SPACE ONE

## Accelerate Your Business!

Digital signage increases sales, brand loyalty, and repeat purchases! Capture your customers attention with beautiful displays of your specials, sales, and other important info!

**The Sales Tool To Fuel Your Business!**

Only  
**\$45**  
Per Month  
+ \$25/mo Per Screen

### **\$ Increase Your Sales!**

Bring your in house marketing to the next level with beautiful designs to capture your customers attention of your specials, sales, and other promotions. Get your message out so your customers come back and purchase again!

### **Professional Graphic Design**

We professionally design your specials, sales, or other marketing materials to display on your screens or social media. Forget about paying \$100's of dollars for a graphic designer. We will professionally design slides that capture your customers attention and make your brand look good. All included in the price.

### **✓ Affordable & Cost Effective**

All you need is a TV with a HDMI and a WIFI connection! If you don't have WIFI, we have other options. You will have access to an unlimited amount of changes to the designs we make and new slides for future promos. We set our pricing so it is doable for any business!

### **👍 Unparalleled Service & Easy To Use**

As a small local business, we pride ourselves on providing all our customers with the BEST service. All requests are handled fast so you don't have to wait and there to help if something goes wrong. We do all the work! You just have to approve the designs!

**Your Satisfaction Is 100% Guaranteed Or Your Money Back!**
